

August 31, 1989

Survey Branch

Gentleman:

You are invited to submit a written proposal for surveying and mapping services under Contract No. \_\_\_\_\_, entitled Fort Lewis Master Plan Automation, Fort Lewis, Washington. The statement of work is attached as enclosure 1.

NPS Form 107 and 1180-1 (enclosures 2 and 3) are attached for your use in preparation of your proposal, as is a profit factor determination sheet (encl 4). Use labor and overhead rates already negotiated for the basic contract.

Please submit your confirmed quotation for accomplishing this work by September 8, 1989.

If you have any questions, please call Mr. Ken Graybeal at (206) 764-3535.

Sincerely,

Enclosures

John P. Erlandson  
Contracting Officer's  
Representative
